As this will be my final weekend again I wish to say I will take away many good memories of both parishes in which I tried to serve. The years have gone quickly and along the way there has always been things and people to uplift me. For any young person I would always say the Priesthood can be a wonderful Life.

Thanks to all who helped in the garden on Friday.

Thank you to all parishioners who have been able to increase their regular offerings to the Church and for the continued support at fundraising events.

The ongoing increase/support will go towards reducing the deficit in the Parish
